

THE ULTIMATE FOR BIG AIR AND BRUTAL BASHING

KRATON 6S BLX

C-ARA8608V6T1/T2 1/8 KRATON 6S 4X4 BLX Speed Monster Truck Orange/Pink

The 1/8 scale ARRMA KRATON 6S BLX 4X4 earned its reputation as the ultimate speed monster truck. The 6S-ready design, reinforced with legendary ARRMA toughness, handles big air and brutal bashing right out of the box. Now, the KRATON launches a new chapter with this latest evolution. ARRMA takes its epic speed and strength to the next level, adding key upgrades to elevate its performance to new extremes.

With its 6S-capable Spektrum brushless system, you can send the KRATON 6S BLX 4X4 racing and leaping at incredible 65+ mph real speeds. Components include a Firma 150A Smart V2 ESC with new, more powerful firmware, a Firma 2050Kv brushless motor, and reliable, steel geared S665 steering servo. The electronics are waterproof so you can blast without worry in any conditions - even mud or snow.

FEATURES

- Taller composite side guards for protection from dirt and debris
- Fun and manageable 4S performance for less experienced drivers or install a 6S LiPo for extreme speed
- EXB (Extreme Bash) black-anodized 7075 T6 aluminium chassis plate
