

**C-ARA4302V4T1/T2/T3 1/10 GRANITE 223S BLX 4X4 RTR Blue/Red/Gunmetal**

Its aggressive truck body looks great while bashing and even better when you get up close. Four dBoots Fortress MT tyres on massive, multi-spoke wheels add all-terrain authority. High-quality Spektrum electronics are installed and ready for 2S or 3S LiPo power. On a 2S LiPo, the GRANITE 223S BLX 4X4 reaches 35+ mph top speeds. Move up to 3S when you want more - and unleash the truck's full 50+ mph potential!

Factory assembled and installed, the heavy-duty, metal gear differentials send power from the Spektrum 3100Kv brushless motor to all four wheels for bashing on dirt, gravel, or short grass. Set up ramps or build a few dirt mounds to

grab some air without worrying about the landing - an independent suspension and oil-filled shocks soak up bumps. Extended height side guards on the strong composite chassis combine with the close-fitting body to keep dirt and debris out of the chassis tub. When maintenance is needed, the hidden clipless body retention system allows quick, easy chassis access.

The ARRMA GRANITE 223S BLX 4X4 is the perfect combination of affordability, monster truck style, and 2S to 3S speed potential. Just add your choice of battery and charger and let the domination begin!

**FEATURES**

- Install a 2S LiPo battery for 35+ mph maximum speed
- Use a 3S battery for 50+ mph top speed
- Spektrum DSC (Dynamic Stability Control) and throttle limiting keep you in control
- Stronger, ventilated composite chassis
- Super-tough 4X4 drivetrain
- Easy to use centre diff module
- All-metal gear centre differential
- Stealth monochrome electronics
- Stronger all-terrain suspension
- Adjustable oil-filled shocks
- Impact absorbing bumpers
- Higher side guards for improved dirt management
- Driveshaft stone guard
- Spektrum SLT3 2.4GHz 3-channel transmitter
- Spektrum S662 metal-gearred waterproof digital servo
- Spektrum SLT 80A 2-in-1 waterproof 2S/3S ESC and receiver
- Spektrum 3100Kv brushless motor and 35mm motor cooling fan
- Aggressively styled truck body
- Hidden clipless body retention system
- All-terrain dBoots tyres on multi-spoke wheels
- Tough composite wheelie bar
- 4 "AA" transmitter batteries
- Includes 2.0mm and 2.5mm hex drivers

**IN THE BOX**

- (1) GRANITE 223S BLX 4X4 1/10 Scale Monster Truck RTR
- (1) Spektrum SLT 80A 2-in-1 Waterproof\* ESC & Rx 2S/3S with DSC
- (1) Spektrum 3100Kv Brushless Motor
- (1) Spektrum SLT3 2.4GHz Transmitter
- (1) Spektrum S662 Metal-Gearred 25T Waterproof Digital Servo
- (4) AA Batteries
- (1) Instruction Manual

**NEEDED TO COMPLETE**

- 1 x 2S or 1 x 3S Hardcase LiPo
- Compatible Charger
- Charging Bag
